No. 10605*O, Iona Piikoi, Honolulu, February 10, 1848
N.R. 563v4

Greetings to you the Land Commissioners: We hereby enter our claims for land, being the lands which passed to us by the division of lands of the Mo'i. Here are Iona Piikoi's:

1. Paa, with its lihis and its leles, Ahupua`a at Kona, Kauai
2. Pualoalo and its lihi and leles, `ili at Honolulu, Oahu.
3. Kaluaoopu, with its lihis and its leles, `ili at Waiawa, Ewa.
4. Mikiola, with its lihis and leles, `ili at Kaneohe, Koolau.
5. Kainehe, with its lihis and leles, Ahupua`a at Lahaina, Maui.

Here at Kamakee's:

6. Keapuka, lihis and leles, perhaps, `ili at Kaneohe, Koolau.
7. Kewalo, lihis and leles, perhaps, at Honolulu, Oahu.

Kindly award our claims, with their lihis and their leles, and all the places which wrongfully went to someone else, and which were trespassed upon and which were perhaps wrongfully occupied, and the places which were conveyed by lease, and all the rights which pertain in the names of those lands - the right to the protected fish and the wood and the water and everything which is said to pertain to these lands. That is what we give to you to work on and quiet title to us and to award in a way as to benefit the populace who are living on the land, and the lands which we occupy which also are for us. Here are these claims: a house lot in Honolulu, also, at Kamooiki, Honuaula, is a plantation of coconut trees.

I am, respectfully,

I. PIIKOI, KAMAKEE

/Translator's note: As far as I can determine, lihi is a pretty elastic term, meaning boundary or edge, but stretched to mean other areas not necessarily contiguous. Lele, of course, means "jump" areas./

F.T. 387-388v3

No. 10605, Kamakee Piikoi, September 28th, 1852

A portion of land in claimant's survey of Kewalo uka, called "Kapuni" is disputed by M. Kekuanaoa, also by the Government. Claimant avers that it is a part of Kewalo & therefore hers.

Kaia, sworn, says he is a kamaaina of Kewalo. Kaholoau was Luna of Kewalo in the time of Kaahumanu. After him were Mahina and Keaho. The name of the small piece of land now disputed is "Kapuni." It belonged to Kaahumanu. The above named Lunas were under Kaahumanu. "Kapuni" is a pauku aina in Kewalo. It does not belong to Kalokohonu, "Kapuni" was always included in Kewalo in the collection of taxes, and the people of "Kapuni" always worked for the konohiki of Kewalo. Naone, the present tax collector has lately caused this pauku of Kewalo to be included in Kalokohonu.

Mahina, sworn, I was Luna of Kewalo in the time of Kaahumanu, after Kaholoau. This pauku of land now in dispute, called "Kapuni," always formed part of Kewalo. "Kapuni" was always included with Kewalo in taxation and the people of "Kapuni" worked for the konohiki of Kewalo. "Kapuni" never belonged to Kalokohonu until the decision given by Naone to that effect, last year.

Mahu, sworn, says he is a kamaaina of Kewalo, and knows the piece of land now in dispute, called "Kapuni." It has always formed a part of the ili of Kewalo, from ancient times.

Cross Examination. I have lived on Kewalo since the time of Kaio, the konohiki, in the time of Kamehameha I. I know the boundaries of Kewalo uka pretty well. I know Kailepulu who lives there, but he is a newcomer. Witness gave the names of a long line of konohikis.

Paoimuai, sworn (for the Government), I am a kamaaina of Auwaiolimu adjoining Kewalo. When I was a boy, I lived on Kewalo, when Kapaukahi was konohiki in the time of Kamehameha I. I know the pauku aina called "Kapuni," now in dispute. "Kapuni" belonged to Kaahumanu, i.e. to her ili of Kewalo. She had her Lunas there. Witness named some of the lunas. The men of "Kapuni" worked for the konohiki of Kewalo. It is about 40 years since "Kapuni" was joined to Kewalo - shortly after the sickness which destroyed the people's hair. "Kapuni" always formed part of Kewalo from that time till Naone's decision about 18 months ago.

No. 10605, J. Piikoi, 1 July 1851, See page 387, vol. 3

No. 3176, G. Kailaa for Kamakee vs Kaaukai

Kukahiko, sworn, I have seen this house lot in Honolulu,

the boundaries are:

Mauka by Kekualaula's lot, Kahanaumaikai's lot

Waikiki by Puowaina street

Makai by Kaaoahuna lot, S. Reynold's lot

Ewa by Road.

Land from Kaauka (i [kane?]) in 1843, Kaaukai had received it in 1832. When Kamakee had it permanently, G. Kailaa lived on the land and Ihu had enclosed it. Kaaukai built the house and

Ihu had helped also by buying the material for thatching. Kailai has lived there to the present time, no disputes.

I have heard Kaaukai had bequested this place to Kamakee at the time Kapili had returned the deed of the land to Kaaukai. Kamaikaaloa had given this lot to Kaaukai, the chief had given her, her land. She had given orally to her brother Kamakee saying, "I am leaving for Hawaii, you are the chief's tenant, here is your house lot," Kaaukai lived on the land until her death.

Kanaulu, sworn for Kaaukai, I heard there were two of them on this place, Kamaikaaloa mauka and Kaaukai, Makai. This had been from the chief, later they had separate land. Then Kaaukai left for the island of Hawaii and I saw Kailaa living on that land. I have not known Kaaukai's bequest for anyone else and I have always seen Kailaa living there to the present time since the time of Kaahumanu I. Kailaa built his house and Pahua helped him to enclose the land. I have heard on Maui they had lived together and they had agreed that the land would be for the other should either one of them die, so at Kaaukai's passing, the land was possessed by Kamaikaaloa. I have not heard Kamaikaaloa's bequest.

Pahua (female), sworn, I have seen this coconut grove at Mooiki of Honuaula, Maui.

Mauka by Government land

Kipahulu by "Makeaka" land

Makai by sea

Lahaina by "Nahupaka" land.

Kamakee, the wife of J. Piikoi, had received this land from Kapili, her brother in 1842, he had received it from their father, Ihu in 1841. Ihu had received it from Kaikioewa at the time of Liholiho and he has lived comfortably. He has planted coconut trees, the children have them now, no one has disputed the government has retaken the land since the great Mahele, except for the coconut grove. They are for Kamakee.

Kaahumanu, sworn, as a child, I had seen Ihu himself and his men plant those coconut trees at the time of Liholiho to the present time, no disputes. Cont. page 161.
